

**PEMERINTAH KABUPATEN KLATEN**  
**DINAS PENDIDIKAN**  
**SEKOLAH MENENGAH KEJURUAN (SMK) NEGERI 4 KLATEN**  
**Jl. Mataram No.5, Belangwetan, Klaten Utara. Telp. (0272) 324084**

**PROGRAM SEMESTER GASAL**  
**TAHUN PELAJARAN 2014/2015**

Mata Pelajaran : Sistem Operasi  
Kelas / Semester : X / Gasal

Bidang Studi Keahlian : Teknologi Informasi dan Komunikasi  
Program Studi Keahlian : Teknik Komputer dan Informatika  
Paket Keahlian : Teknik Komputer dan jaringan

| Kompetensi Dasar                                                | Juli 2014         |            |            | Agustus 2014 |   |   |   | September 2014 |   |   |   |   | Oktober 2014 |   |   |   | November 2014 |   |   |   | Desember 2014 |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
|-----------------------------------------------------------------|-------------------|------------|------------|--------------|---|---|---|----------------|---|---|---|---|--------------|---|---|---|---------------|---|---|---|---------------|---|---|---|---|--|--|--|--|--|--|--|--|--|--|--|--|--|--|--|--|--|--|--|--|
|                                                                 | 3                 | 4          | 5          | 1            | 2 | 3 | 4 | 1              | 2 | 3 | 4 | 5 | 1            | 2 | 3 | 4 | 1             | 2 | 3 | 4 | 1             | 2 | 3 | 4 | 5 |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
| 3.1 Memahami perkembangan sistem operasi closed source          | Awal Tahun Ajaran | Idul Fitri | Idul Fitri | 3            |   |   |   | 3              |   |   |   |   |              |   |   |   |               |   |   |   |               |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
| 4.1 Menyajikan data perkembangan sistem operasi closed source   |                   |            |            |              |   |   |   |                |   |   |   |   |              |   |   |   |               |   |   |   |               |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
| 3.2 Memahami struktur sistem operasi closed source              |                   |            |            |              | 3 | 3 | 3 |                |   |   |   |   |              |   |   |   |               |   |   |   |               |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
| 4.2 Menyajikan struktur sistem operasi closed source            |                   |            |            |              |   |   |   |                |   |   |   |   |              |   |   |   |               |   |   |   |               |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
| 3.3 Memahami proses booting pada Sistem Operasi closed source   |                   |            |            |              |   |   |   |                |   |   |   |   |              |   |   |   |               |   |   |   |               |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
| 4.3 Menyajikan proses booting pada Sistem Operasi closed source |                   |            |            |              |   |   |   | 3              | 3 |   |   |   |              |   |   |   |               |   |   |   |               |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
| 3.4 Memahami instalasi sistem operasi closed source             |                   |            |            |              |   |   |   |                |   |   | 3 | 3 | 3            | 3 | 3 |   |               |   |   |   |               |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
| 4.4 Melakukan instalasi sistem operasi                          |                   |            |            |              |   |   |   |                |   |   |   |   |              |   |   |   |               |   |   |   |               |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
